.....RESPONDENTS

Petition under Article 226 of the constitution of India praying that in the circumstances stated in the Affidavit filed herein the High Court may be pleased to issue a Writ of Mandamus or any other appropriate writ, order or direction, declaring the action of the respondents in not issuing hall-tickets for the two students-K.Kavitha and J.Ratnakuumari of the Petitioner-Nursing School (Jaswanth Nursing School, Hyderabad) as illegal, arbitrary, and contrary to Indian Nursing Council Regulations and for a consequential direction, directing the respondents to issue hall-tickets to the said students to appear for the examinations commencing from 5.8.2003.

Counsel for the Petitioner: MR.M.LAKSHMANA SARMA

Counsel for the Respondents: GP FOR MEDICAL, HEALTH & FAMILY WELFARE

The Court made the following:

COMMON ORDER**:**

Heard both sides and at their request, the writ petitions itself are taken up for disposal at the interlocutory stage.

In these two writ petitions, the students of the petitioner-School of Nursing, represented by its Principal, approached this Court, *inter alia*, aggrieved by the action of the respondents herein in not considering their case in proper perspective and not permitting them to appear for the Nursing Examination and consequently, they sought for issuing direction to the respondents herein to issue hall-tickets to them to appear for the examinations commencing from 05.08.2003.

This Court already granted interim direction to the petitioners on 04.08.2003 to appear for the said examination. It is now represented that on passing of the interim directions by this Court, the two petitioners have appeared for the examination.

Learned counsel appearing for the petitioners submits that in similar circumstances this Court already allowed similar such

requests in W.P.No.1657 of 2003, dated 29.01.2003, and W.P.Nos.14093 and batch, dated 25.07.2003.

Having considered the submissions made by both the learned counsel and especially, having regard to the fact that similar requests have already been conceded to by this Court and the petitioners have appeared for the examination, I think that there is no impediment in allowing this writ petition.

Accordingly, the writ petitions are allowed. The respondents are directed to declare the results of the said examination. No costs.
